The Negative Service Indicator E-mail Communication will be sent via e-mail to graduate students one week prior to registration. The E-mail states the following:

We hope you will continue pursuing your graduate degree at the University of Louisville. You are receiving this e-mail, because, unfortunately, you have a hold on your account which will not allow for future enrollment. Please review your ULink account to identify the reason(s) for the hold. The steps are as follows:

Student Services Tab>Registration>Registration Preparation>Holds/Notices on Records/Accounts

Click on Holds/Notices on Records/Accounts to identify the hold and for the University office/department to contact.
