Introduction

The Public Health Minor has been designed for all students who are interested in gaining a broader understanding about the field of public health. The coursework for the minor offers exposure to the concepts and applications of public health in a variety of disciplines.

Admission

Students will be required to apply to the minor and maintain a minimum of a 2.0 GPA.

Program of Study

The minor in Public Health requires the completion of a minimum of 15 credit hours. Students will be required to enroll in the following courses:

Coursework

15 total credit-hours of required coursework:

Course #	Course Title	Credit-Hours	Semester Offered
PHUN-101	Introduction to Public Health - SB	3	Fall & Spring
PHPB-300	Social and Behavioral Foundations of Public Health	3	Spring
