Purpose: The technology fee will be used to offset the cost of purchasing and maintaining the software and hardware used in support of teaching SPHIS students.

Coverage: All SPHIS Students taking 6 or more credit hours

Policy:

Effective July 1, 2004, the SPHIS is instituting its technology fee. New students enrolled in the SPHIS as of this date will be assessed an annual $500 technology fee ($250 for fall semester; $250 for spring semester).

Amendment:

Effective July 1, 2005, the technology fee will be increased to $750 per year ($375 for fall semester; $375 for spring semester) for new SPHIS students.

Procurement:

Notes:

This fee will be waived for students enrolled in fewer than six hours. The decision to waive any part-time student will be made on a case by case basis by the SPHIS Office of Student Affairs.

Existing students (those enrolled as of the spring 2004 semester) will be exempt from this charge for the duration of their academic studies in the SPHIS. The Office of Student Affairs maintains the list of students who are “grandfathered” into this policy.

SPHIS employees are not exempt from the Tech Fee.

Amendment:

Students enrolled prior to June 2004 will continue to be exempt. Students enrolled between June 2004 and June 2005 will continue to pay $500 per year ($250 fall and spring semesters) for the duration of their academic studies in the SPHIS. Students enrolled after July 1, 2005 will pay $750 per year.
